

DUPĂ GARD

PERMACULTURE
CAMPFIRE
2025

14.-17. AUGUST 2025

THE MISSION

Started as a spontaneous gathering of permaculture enthusiasts two years ago, it has developed into a **very special spectacle**. The aim is to connect the permaculture community, enjoy workshops on sustainable topics, and enjoy music and each others company around the campfire under Transylvanias clear sky.

THE VENUE

Dupa Gard is an expanding Permaculture project in the Carpathian Mountains. It currently consists of two small food forests, a permaculture vegetable garden with greenhouse and a camping place.

Ioana and Andreas are the sites guardians, and want to offer an experience of pure abundance for all guests.
